FOR WHEN SOMEONE YOU LOVE ISN'T SAFE

How to stand with a woman who is being abused.

SCRIPTURE TO SHARE WITH HER

Genesis 2:24

One man, one wife, one flesh. This was God's design from the beginning.

Matthew 19:4–6

Jesus reaffirmed it: "the two shall become one flesh."

1 Timothy 3:2 · Titus 1:6

A leader in the church must be "the husband of one wife." This is a qualification, not a suggestion.

Ephesians 5:25

Husbands are to love their wives as Christ loved the church, giving himself for her, not using her.

1 Peter 3:7

Husbands are to live with their wives with understanding and honour. Submission was never meant to require her silence.

HOW TO HELP HER

1. If she is in immediate danger, call 911.
2. Believe her. Listen without rushing to fix it, defend him, or quote submission at her.
3. Keep it confidential. Don't confront him or go to church leadership without her consent. It can make her less safe.
4. Help her think through a plan: ID, key documents, cash and a charger kept somewhere she can reach quickly.
5. Stay. Leaving is a process, not one moment. Keep showing up, even if she goes back.
